PREDICTION OF THE IMPACT OF HIGH PERFORMANCE GLAZING ON ENERGY USE AND CO₂ EMISSIONS IN THE UNITED STATES

GANA Educational Foundation

The GANA Educational Foundation is currently soliciting donations to fund an in-depth study on high performance glazing's impact in the United States. Donations to fund this effort are tax deductible under 501(c)(3) laws in the United States. The Foundation was officially established by action of the GANA Board of Directors in May 2006.

Donation Levels

1. Any individual or organization that donates \$2,000 or more will be recognized as an Executive Sponsor. Furthermore, a company logo will be included in the final report denoting sponsorship, and any press materials dispersed about the study will include the Executive Sponsor's name.
2. Any individual or organization that donates less than \$2,000 will be recognized as a Sponsor. Furthermore, the individual or organization's name will be included in the final report denoting sponsorship.
